BADU JET PRIMAVERA DELUXE

BADU JET Primavera Deluxe Vormontagesatz

Article number 2326100000
Product page https://www.speck-pumps.com/en/p/badu-jet-primavera-deluxe-vormontagesatz-2326100000

Description

A material version of the BADU JET Primavera without compromise. Made entirely of stainless steel, it's high-quality and durable.

Areas of use

For wall installation in all pool designs, as an attraction, for fitness, as a wave or bubble bath, or for underwater massage upon medical advice. Swimming without turning is possible even in small pools.

Version

A powerful BADU pump connected via a suction and pressure line draws water through a flush-mounted plastic housing and nozzle housing in the pool. A powerful jet of water is returned to the pool via two adjustable nozzles that can be swiveled 60° in all directions. A multitude of openings in the intake panel ensure extremely low intake flow.

Material short text

BJ Primavera, VMS

Technical data

Hydraulic power

Flow rate	0 m³/h

Electrics

Power input P_1 (max.)	0 kW
Power output P_2 (max.)	0 kW

General / Product features

Product range	BADU Premium

Connections & piping

Recommended suction line diameter	0 mm

Recommended discharge line diameter	0 mm

Nozzles & counter-current system

Number of nozzles	0 St
Nozzle swivels in all directions	0 °
Outlet pressure at the nozzle	0 bar
Outlet velocity, centred 2 m in front of the nozzle	0 m/s
Massage pressure max.	0 bar

Operating conditions & water

Umgebungstemperatur	0 ° C
Total salt concentration	0 %

Dimensions & logistics

Customs tariff number	84798997
